CIRCLE (Centro Internazionale di Ricerca sul Cooperative Learning), is an acronym for International Research Centre for Cooperative Learning, and has run research and teachers' training at the University of Trento for 20 years. Since 1996 they have specialised in cooperative learning and work with John Hopkins University, Baltimore (Robert Slavin), Minnesota University, Minneapolis (Johnson & Johnson), and with Tel Aviv University (Sharan & Sharan). Currently around 250 Italian teachers are attending courses.
